Great Catholic "encyclopedic" reference on Relics Von Ein Kunde A fascinating (almost encyclopedia) account of the history, stories, mysticism, and veneration of Relics (including some photos) --- Relics of Jesus (Eucharistic miracles,

Seamless Garments, Holy Grail, ...), the Passion (Holy Cross, Holy Shroud, Veil of Veronica, ...), the Blessed Mother (Cincture, Veil, ...), Miraculous Icons and Statues of Our Lady (Czestochowa, Good Counsel, Guadalupe, Perpetual Help, Virgin of the Pillar ...), Apostles and Saints, Statues of the Infant Jesus, Crosses and Crucifixes, Buildings (Loreto, ...), Blood Miracles (Naples), Manna of the Saints. I had known about some of them but others are new to me. While reading about the Relics of St. Anne, recalled that one summer while we were children, my parents took us to visit the Shrine of St. Anne de Beaupre in Quebec, Canada - great to rediscover and wonder about all of these Miracles, signs of God's Love and Power. The Eucharistic miracles and manna of the saints remind me of present-day. Audrey Santo in Worcester, MA. Intriguing! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Holy Relics, Part of our History Von Ein Kunde All Christianity is based upon the times when Christ walked the earth. The early Church became deeply seated in society because of the miracles that occurred as a result of the Christians who were murdered for their faith. Many of these miracles occurred via the use of a Relic. This book stands alone as a masterpiece on the whole concept of maintaining holy relics of our Christian Saints. I highly recommend this book to anyone who is interested in the history of Saints.

Kurzbeschreibung Scripture speaks of miracles wrought through relics: a dead man was raised when Elisha's bones touched him, and the clothing of Jesus and His apostles healed the sick. In the early Church, Masses were celebrated over the bones of the martyrs, and phials of their blood have effected countless miracles. Direct successors of the Apostles themselves speak of venerating relics; Church Fathers encourage it; throughout the ages of Catholic legacy, relics of the saints are always present. The Church takes diligent care in preserving and documenting the authenticity of her relics. Best-selling author Joan Carroll Cruz takes full advantage of these resources. With painstaking research, she exposes the details behind hundreds of the Church's most famous and beloved relics. She covers 38 second-class relics of our Lord and Lady, such as the Holy Grail and Our Lady's Veil, and relics of all sorts from 75 favorite saints, such as St. Mary Magdalene, St. Agnes, St. Charles Borromeo, St. Francis of Assisi, St. Maria Goretti, and many more! Relics is a unique collection of years of dedicated research about the lives of the saints and the mementos they left behind, to remind us of their presence and intercession for us.
