**Von Daniel H. Williams : Retrieving the Tradition and Renewing Evangelicalism: A Primer for Suspicious Protestants** before purchasing it in order to gage whether or not it would be worth my time, and all praised Retrieving the Tradition and Renewing Evangelicalism: A Primer for Suspicious Protestants:

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. A LOOK AT THE 21ST CENTURY FAITH - ANCIENT AND FUTURE Von Fr Mac D. Culver When the history of the

Church in the 21st Century is written, surely D. H. Williams will be one counted as a modern day prophet. This is a most interesting and challenging work that places the Ancient Faith directly in the stream of the Evangelical Faith. Modern day evangelical protestants are discovering that while the faith is wide, it is not very deep. We have lost our "roots" and thus are tossed about by every wind of teaching and yet another denomination springs up. Once one gets over the shock of an Evangelical Baptist Pastor teaching in a Roman Catholic University; the book continues to offer up challenges and surprises that serves to focus our faith. As a former Evangelical Protestant who is now an Anglo-Catholic, I delight that others are also on the journey "back to the future". An outstanding work that may well become a great classic of the faith.

Kurzbeschreibung A learned and uniquely constructive book that gently urges "suspicious" Christians to reclaim the patristic roots of their faith. This is the first book of its kind meant to help Protestant Christians recognize the early church fathers as an essential part of their faith. Writing primarily to the evangelical, independent, and free church communities, who remain largely suspicious of church history and the relationship between Scripture and tradition, D. H. Williams clearly explains why every branch of today's church owes its heritage to the doctrinal foundation laid by postapostolic Christianity. Based on solid historical scholarship, this volume shows that embracing the "catholic" roots of the faith will not lead to the loss of Protestant distinctiveness but is essential for preserving the Christian vision in our rapidly changing world.
