Return to the summit of ScoutingVon wally meyerI thoroughly enjoyed author Bill Cass' stories about his Philmont experiences. His tales are well crafted and help the reader relive the fun and adventure of the Philmont Scout Ranch.I do not know why the next review features such spite for Mr. Cass (jealousy?). The reviewer has violated the 4th point of the Scout Law.I highly recommend this book for anyone who has been to, or is planning a return trip to Philmont. It is excellent reading.Wally Meyer - Philmont Ranger (1978 1979)0 von 0 Kunden fanden die folgende Rezension hilfreich. I would recommend this book to all adult Scouters who have been to the ranch either as a youth or an adult. I would also recommend this book to those Scouters planning their first trip to the ranch. Bill Cass is an excellent writer.
