**Von Frans Du Plessis : Revealing God's Intended Finish (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Revealing God's Intended Finish (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Festgefahrene Denkweisen sprengend! Genial!Von CharlyIIch finde das Buch genial. Der Autor interpretiert die Bibel mit der Bibel selbst, und nicht nach Gutdinken oder a la "so sehen wir das schon immer". Festgefahrene menschliche Interpretationen der Bibel und Gott werden nachvollziehbar und sachlich gesprengt. Diese Sichtweise pat meiner Meinung nach sehr zu Gottes Herz und Wesen. Wer weiter denken will als "man" eben denkt, dem sei dieses Buch

sehr empfohlen. Sein Reich kommt!

**Kurzbeschreibung** We need a fresh revelation of the Lord Jesus Christ to accurately understand the end, for Christ is the beginning and end of all things. This apostolic season is bringing a fresh interest in the study about the end (eschatology), and it is changing the paradigm of the Church forever. Gods intended end (eschatology) is to have a corporate, many-membered Son who inherits and rules over all creation. Fullness is Christ the Son bringing many sons to glory, manifesting His eternal Kingdom through a corporate Son who reveals His love, righteousness, and goodness in the earth. If you are ready for a radical change, this book is for you. If you are tired of going around the mountain and tired of unfulfilled prophecies and promises, then this book is surely for you. God is seeking a mature, corporate son in the earth who will manifest Christ to the world not only one facet of Him, but Christ in all His fullness.

Discovering the truth about the end will shake the religious systems of this world. To be effective and relevant today, we must understand the end. The birth of Jesus announced the end of the night and the beginning of a glorious new day the day of the New Covenant that will shine brighter and brighter until the end.

**ber den Autor und weitere Mitwirkende** At the tender age of 16, Frans Du Plessis came to the Lord. He then entered full-time ministry in South Africa in his early 20s and has served as pastor of a local congregation since 1975. His passion is to see the Word of God fulfilled in his time and the earth filled with the glory of God. He has raised up spiritual sons and daughters all over the world who are leaders of their own spiritual children and local congregations. Frans is part of an apostolic eldership who minister in more than 50 nations of the world. Their passion is to see the Church coming to maturity and form part of the corporate son who must manifest the image and likeness of God to creation. His personal ministry to many nations of the world has always been characterized by a strong anointing of the Holy Spirit. He functions apostolically with a solid prophetic edge, and his message carries a firm element of revelation. Since 1975, Frans has been happily married to Netta with whom he has three married children, all of whom are also involved in full-time ministry. Their five grandchildren are the joy of their lives.
