Offenbart Von Lanthanum Im eBook *Revealing Revelations (Eden's Apple Book 5)* von James Richards beschäftigt sich der bibelkritische Aufklärer mit der Offenbarung des Johannes aus dem Neuen Testament. Er zeigt konkret und sehr ausführlich, dass die Offenbarung im Prinzip ein plagiatorischer Betrug ist, der aus Texten des Alten Testaments eine weitere Geschichte des Neuen Testaments zusammen bastelt. Untermalt wird Richards These, die die Menschen von der Furcht vor einem bevorstehenden Armageddon befreien kann, durch Geschichtsunterricht. Denn Texte des Alten Testaments basieren zumindest teilweise auf Berichten über Kriege zwischen Völkern, die vor rund 2.700 Jahren stattgefunden haben.

Kurzbeschreibung This book from the Edens Apple Study examines the New Testament book titled Revelations, which is a Apocalyptic story concerning the return of the Messiah named JESUS and the battle of Armageddon, and proves that it is a Plagiaristic Fraud, a copy of the Old Testament Apocalyptic story concerning the return of the Messiah named JESUS and a Armageddon like battle, which already occurred over 500 years before the New Testament was to have taken place. The over whelming evidence clearly shows that the entire apocalyptic story in the book of Revelations is basically a copy of two major conflict stories from the Old Testament, the Babylonian Exodus tale and the King Antiochus 3 year Occupation of Jerusalem tale. In the Old Testament Babylonian Exodus fable, the Kings of the East had already destroyed Babylon in an Armageddon like battle, and the Messiah King whose name was JESUS, had already returned to Jerusalem to rule over the Kingdom of God. In the Old Testament King Antiochus 3 year Occupation of Jerusalem tale, king Antiochus had already seized control of Jerusalem for 3 years persecuting the saints, and he had already set up the Abomination of Desolation (pagan statue) in the temple, which Jesus of Nazareth said would be a sign of his return and the end of the world. Simply put, what this book proves is that the New Testament book titled Revelations was and is a Plagiaristic Fraud constructed by combining together older fables from the Old Testament that had already occurred in that storybooks timeline. These facts conclusively prove without any doubt that the return of "Jesus Christ the Savior" and the "End of the World" (Judgment Day) according to the book of Revelations is not going to happen, and anyone that tells you differently is either ignorant of the facts or is a liar. Jesus the Christ is never returning because he never came, for it is all a fictional story copied from an older fictional story. So dont fear the world ending at anytime soon unless we humans make it happen or nature does, it is just a dark nightmarish tale of fiction, so close your eyes and sleep well, and if you need to dream of a new god to protect you, dream of a more loving and caring god, and not the angry jealous god from the biblical novel.
