Von Tim LaHaye : Revelation Unveiled before purchasing it in order to gage whether or not it would be worth my time, and all praised Revelation Unveiled:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Outstanding, easily understood and thoroughVon Ken ZolloAfter reading the Left Behind series, I wanted to know more about the prophecies used to create the story. Although I'm familiar with biblical prophecy and the book of Revelations, I didn't realize how little I understood until reading this book. The discussion is thorough but easily followed. The various interpretations are discussed in detail with explanations as to why the author prefers one over the others. I particularly enjoyed the discussion of church history as it applied to the seven churches. Although I'm not Catholic, I felt the discussion of the Catholic Church was factual and well argued. In short, the book is outstanding and

a "must read" for any one interested in the "End Times". 1 von 1 Kunden fanden die folgende Rezension hilfreich. A piece of Revelation unveiled Von Greg Burckle Great expectations! That's what I had. A course in Revelation AND a book that I could read and enjoy. OK, OK. Expectations were a bit too high. The course was MUCH deeper than the book. The bits of bashing in this book were not needed. Opinon and teachings were interwoven to the extent that one needs to agree completely with Lahaye. I felt that this book was not very objective and open but somewhat dogmatic and opinionated. Revelation is a very deep book. One can study it at many levels. One needs to be very careful not to add or delete from the teachings. A serious student might have problems with this book by Mr. Lahaye. 0 von 0 Kunden fanden die folgende Rezension hilfreich. all you need to know about Lahaye as scholar is this... Von Thuyen Tran He claims that Domitian is the sixth Roman emperor in John's lifetime. That is the only way he can justify his claims that Revelation is about future antichrist from our lifetime rather than from that of John. Of course, the sixth Roman emperor was actually NOT Domitian but someone who lived LONG BEFORE Domitian, by about 30 years. And if you count Julius Caesar as king as those then do, then Nero would be the sixth king. Either way, Lahaye would be about five or six "kings" off the mark. It is Roman history 101. Lahaye also plays fast and loose with the truth in other books, too, so this is no isolated incident. For example, he makes claims like that postmillennialists were those founded by liberal Daniel Whitby and held to goodness of man, though he knew from Understanding the Last Days that Calvin and calvinists, who deny goodness in man at all, held to it, and Calvin lived long before Whitby. Lahaye's books in general especially this one expose the logical fallacies in his viewpoint. No one of any viewpoints deny that the coming of Christ in future would take place unexpectedly at any time. What the rest deny is that it is to be expected to take place at each and every generation, or the doctrine of imminency, which Lahaye uses as orthodoxy test on others. Sadly, his theology demands that in order for rapture to be expected, the nation of Israel would need to be restored to their land. Thus until 1948, NO ONE could have been able to hold to imminency since that nation did not have its land back YET! If they hold to imminency then they would be guilty of denying promises of Scriptures for ethnic Israel, but if they do not hold to it, then they would still be heretics in Lahaye's logic. Talk about putting burdens of orthodoxy on others that he is unwilling to bear himself! His primary argument for rapture of church is that it is missing in Revelation 5-19, Matthew 24, and Daniel 9. That is argument from silent and NOT argument from literalness! He also claims that Revelation 1-3 teaches the church as whole in different stages of history until the rapture. The verses say they were ACTUAL congregations and gives ZERO hint of being stages of church history. For someone who demands literalness out of other viewpoints, he takes verses with such lack of literalness, as in Revelation 4:1, it is shocking. And sadly, he relies on "scholars" like Grant Jeffrey and Thomas Ice for proofs that his views are biblical and historical truth for 2000 years. That is very telling, to say the least, considering the two are not reputable for their so-called scholarly works.

Kurzbeschreibung The Biblical Foundation for the Best-selling Left Behind Series . . . In the twinkling of an eye, millions of people across the world vanish, resulting in highway catastrophes, plane crashes, utility breakdowns, and more. Chaos reigns. With the stage set, a dictator emerges who persecutes Christians horribly. But tribulation is about to give way to incredible joy -- for the return of the King of Kings is at hand. In Revelation Unveiled, Dr. Tim LaHaye, co-author with Jerry Jenkins of the best-selling novels Left Behind and Tribulation Force, reveals the scriptural foundation of this series. Revelation Unveiled explains such critical topics as: - The rapture of the church - The Return of Christ - The Great Tribulation - The Final Battle against Satan and His Hosts - The Seven Seals - The Millennial Reign - The Seven Trumpets - The Seven Bowls of Wrath - The Great White Throne - The Destruction of Babylon - The New Heaven and New Earth -- Previously titled Revelation Illustrated and Made Plain, this revised and updated commentary includes numerous charts. With simple and accessible language, Revelation Unveiled will help you better understand this mysterious, final book of the Bible and its implications.
