Von GARY WILLIAM CRAWFORD : ROBERT AICKMAN: AN INTRODUCTION (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised ROBERT AICKMAN: AN INTRODUCTION (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fascinating background information to a brilliant storytellerVon caultheadI discovered Robert Aickman by chance, had not heard of him until about 6 months ago, his stories are brilliant, short stories work well in Kindle format. After reading two collections of stories, I found this short introduction to a fascinating man. It reads a bit like an academic

piece, but if you like Aickman's writing, it's well worth reading.

Kurzbeschreibung Robert Aickman was one of the most important writers of ghost stories in the last century. His personal, deeply felt tales were consummately poetic. Very much feeling a sense of twentieth century Angst, Aickman wrote elegant, moving tales of subtle terror. Aickman also founded The Inland Waterways Association in Britain, which upgraded Britain's rivers and canals. He was a drama and film critic as well as being a member of the boards of British opera and ballet companies. **ROBERT AICKMAN: AN INTRODUCTION** is an overview of his life and works.
