Von Willie Nelson, Kinky Friedman : Roll Me Up and Smoke Me When I Die: Musings from the Road before purchasing it in order to gage whether or not it would be worth my time, and all praised Roll Me Up and Smoke Me When I Die: Musings from the Road:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Same ol' wise Red Headed StrangerVon Gabriel DMore than an autobiography, the reader will find in "Roll Me Up and Smoke Me When I Die" anechdotes and other stories that are additions to his previous bio-books "Willie: An Autobiography", "The Facts of Life: and Other Dirty Jokes" and "The Tao of Willie: A Guide to the Happiness in Your Heart". For

those who don't know much about Nelson's life, "Willie: an Autobiography" or Joe Nick Patoski's (highly recommended) "Willie Nelson: An Epic Life" would be the right place to start. A new reader will find "Roll Me Up" disorganized, and probably will think that it is just a collection of randomly written thoughts. That being said, coming from a HUGE WILLIE NELSON FAN (needless to say, this paragraph might be highly biased), the book offers as usual interesting stories and thoughts of the wise Red Headed Stranger. Besides of Willie's side of the story, the book is complemented by comments of The Family. A vast term in Willie's world, "The Family" is composed by his blood family and of course, his musical and road family. As I said before, it can be taken easily as an update to those previous bios, all of them letting us know that Shotgun Willie is still on the road, showing that as ol' Billy Joe Shaver put it down in words "moving is the closest thing to being free" (goddamn right, AMEN). 0 von 0 Kunden fanden die folgende Rezension hilfreich. Komisch und kurzweilig Von E-MaxWer Willie nicht nur hren, sondern auch lesen will, findet hier eine eigentmliche Mischung aus Plaudereien, Erinnerungen, Weisheiten und Zoten. Das ist komisch und kurzweilig und insofern erhht es die Lebensqualitt nicht unerheblich...

KurzbeschreibungIn Roll Me Up and Smoke Me When I Die, Willie Nelson muses about his greatest influences and the things that are most important to him, and celebrates the family, friends, and colleagues who have blessed his remarkable journey. Willie riffs on everything, from music to poker, Texas to Nashville, and more. He shares the outlaw wisdom he has acquired over the course of eight decades, along with favorite jokes and insights from family, bandmates, and close friends. Rare family pictures, beautiful artwork created by his son, Micah Nelson, and lyrics to classic songs punctuate these charming and poignant memories. A road journal written in Willie Nelson's inimitable, homespun voice and a fitting tribute to Americas greatest traveling bard, Roll Me Up and Smoke Me When I Die introduced by another favorite son of Texas, Kinky Friedman is a deeply personal look into the heart and soul of a unique man and one of the greatest artists of our time, a songwriter and performer whose legacy will endure for generations to come. Pressestimmen Nelsons unmistakable voice shines through . . . funny, inspirational and bawdy, with a well-honed sense of humor. (Kirkus s) An irreverent, entertaining read. Humble, optimistic, and quick to give credit to those around him for contributing to his success, Nelson is a charming narrator. (Publishers Weekly) Nelson takes us for a rollicking ride along the highways and byways of his long life and career in this rambunctious, hilarious, reflective, and loving memoir. (American Songwriter) Compelling page-turner . . . for all his fame and accessibility, he still has so much wisdom left to share. (Jambands.com) So many decades into his fabled life and career, Willie fans pretty much know what to expect from him. And he does not let his readers down with his Musings From the Road.
