Von Paula Chase : So Not The Drama (del Rio Bay Clique Novels) before purchasing it in order to gage whether or not it would be worth my time, and all praised So Not The Drama (del Rio Bay Clique Novels):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooMina and her friends, JZ, Lizzie, and Michael, also known as "The Clique," are about to leave behind their familiar middle school where they are comfortable and popular, and enter the big, unfamiliar Del Rio Bay High School. They've heard stories, and they think they know what to expect, but when the friends get to high school, they realize they're not nearly as informed as they thought they were! No matter how much

you think you know, high school is a lot to handle. Mina's got big plans for her time at Del Rio Bay High. She was popular in middle school, and she definitely wants to become one of the elite in high school, too. However, her schemes (predictably) do not go quite as planned! While this book has been categorized as African-American fiction, and Mina is black, I don't think that only African-American teens will enjoy the book. Prejudice is an issue that is dealt with skillfully, and that's important, but there is so much more to this book! There has to be, really; it's nearly four-hundred pages long. It dragged a little at times, but, for the most part, it was an enjoyable book, and quite readable! I made the mistake of judging *SO NOT THE DRAMA* by its cover and expecting yet another fluffy, forgettable novel, but this book definitely surpassed my expectations. While the dialogue didn't always strike me as completely realistic (although, admittedly, I am a middle-class white girl and don't really have the same background as many of the characters), the story as a whole was surprisingly real and deep. *SO NOT THE DRAMA* is well worth reading. Reviewed by: Jocelyn Pearce

Kurzbeschreibung In exactly one hour, eighteen minutes, and thirty-five seconds, Mina Mooney will be dipping her pink Nellie timbs into the infamous frosh pit. . . Hoping Del Rio Bay High will live up to her greatest expectations, Mina has big plans for infiltrating the school's social glitterati. After all, she's been mad popular for as long as she can remember and she isn't about to go from Middle School Royalty to High School Ambiguity. But Del Rio Bay is a big school, so it'll take some plotting to avoid getting lost in the crowd. Good thing she isn't afraid of a little hard work and that her playground peeps Lizzie, Michael, and JZ have got her back. But it isn't long before Mina's big plans for securing her social status take a back seat to some drama that was so not expected. Lizzie's scored an invite from the beautiful people that Mina can only dream about, and not only is Michael tripping about being back in school, but now he's beefing with JZ. Worst of all, Mina's sociology class experiment to rid the world or at least Del Rio Bay High of prejudice is about to backfire. . . because it might just mean she'll have to rid herself of her very best friend. A novel about friendship, betrayal, and how far some will go for popularity, *So Not the Drama* takes a fresh and wickedly funny look at planet high school.
