Nicht wirklich, denn eine solche Geschichte kann man nicht wirklich mgen..Aber das ist nicht wirklich der Grund fr meine Bewertung. Ich liebe Courtney Summmers Bcher, ich mag sie alle wirklich sehr gerne, aber 'Some Girls Are' war eher enttuschend. Highschool kann wirklich schrecklich sein, und was Regina durchstehen musste, muss wirklich die Hlle gewesen sein. Ich bin mir auch sehr sicher, dass

solche Leute wie Anna und Kara wirklich existieren. Aber trotzdem fand ich, dass die Geschichte nicht realistisch ist im Bezug auf die Art und Weise wie die Leute sich verhalten. Kann es wirklich eine Schule geben, in der es niemanden interessiert, was passiert? In der geschlert wird und rumgeschubst wird, ohne dass sich überhaupt jemand Gedanken macht bzw. Angst vor Konsequenzen hat? Ich bin sehr froh darüber, dass die Geschichte sehr reale Charaktere hat, aber einige Sachen waren einfach bertrieben.. Ich kam nicht damit zurecht, wie Regina sich einfach nicht entscheiden konnte, ob sie sich jetzt endlich für sich selbst einsetzt oder einfach alles passieren lässt. Courtney Summers ist eine wunderbare Autorin, die wirklich weiß wie man Charaktere gut schreibt. Und das ist auch eigentlich das, was ich an dem Buch gut fand: Der Schreibstil. Nicht aber die Geschichte. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read Too Von TeensReadToo Regina hates being the designated driver. The parties aren't fun to begin with, but when she has to be there sober it is practically unbearable. One night when she is ready to go, Regina tries to find her best friend so she can get her in the car and drive home. She finds Anna in the den with Donnie, passed out after a night of too much drinking. Unfortunately, Donnie, Anna's boyfriend, is just aware enough to force himself on Regina against her will. She barely gets away. Regina runs to the house of the only one of her friends that didn't attend the party and tells her everything that's happened. Together, Kara and Regina decide it's best to not say anything. Regina considers Anna important enough to keep quiet about the attempted rape in order to remain her best friend. The problem is... Kara doesn't keep her mouth shut. She tells Anna what happened just as quick as she can in order to push Regina out of the second-in-command spot of the Fearsome Fivesome. By the time school rolls around on Monday, Regina finds herself frozen out of the group. Life for Regina becomes a living nightmare. Her friends launch a systematic attack against her. She suffers physical and emotional abuse at the hands of the people that know her the best. Never has she felt so alone. **SOME GIRLS ARE** is an important book to read. Bullying is such a big issue in today's society, and Courtney Summers paints a very realistic picture for the reader. Reviewed by: Karin Librarian

Kurzbeschreibung From Courtney Summers, the author of *Cracked Up To Be*, comes a dark new tale of high school rivalry in which vicious rumors and nasty tricks are the currency that buys you popularity or seals your fate at the bottom of the food chain. Climbing to the top of the social ladder is hard--falling from it is even harder. Regina Afton used to be a member of the Fearsome Fivesome, an all-girl clique both feared and revered by the students at Hallowell High... until vicious rumors about her and her best friend's boyfriend start going around. Now Regina's been "frozen out" and her ex-best friends are out for revenge. If Regina was guilty, it would be one thing, but the rumors are far from the terrifying truth and the bullying is getting more intense by the day. She takes solace in the company of Michael Hayden, a misfit with a tragic past who she herself used to bully. Friendship doesn't come easily for these onetime enemies, and as Regina works hard to make amends for her past, she realizes Michael could be more than just a friend... if threats from the Fearsome Foursome don't break them both first. Tensions grow and the abuse worsens as the final days of senior year march toward an explosive conclusion. This story takes an unflinching look at the intricacies of high school relationships Fans of the film *Mean Girl* will enjoy this tale of redemption and forgiveness.
