Von Dr. Brad Blanton : Some NEW Kind of Trailer Trash: The Story of an Outsider's Inside View of the Revolution of Consciousness: 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Some NEW Kind of Trailer Trash: The Story of an Outsider's Inside View of the Revolution of Consciousness: 1:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
wonderfulVon MartinI loved Brad Blanton's Radical Honesty and it is really refreshing to see it in action.Starting with a childhood in Texas, redneck hillbilly white trash Blanton talks about everything up to the age of 37.Lots of drugs, sex and rock and roll and he sprinkles it with existentialism, spiritual growth and honesty.Loved the book and the vibe it puts out1 von 2 Kunden fanden die folgende Rezension hilfreich. auf Android unlesbarVon Matthias UrlichsIch habe mir die Leseprobe auf meinen Android-Kindle-Leser heruntergeladen.Leider besteht ein Groteil des Buchs aus dunkelgrauem Text auf schwarzem Grund, was das Lesen so gut wie unmöglich macht.

KurzbeschreibungDr. Brad Blanton, bestselling author of the Radical Honesty book series, is at ease in this first volume of his autobiography Some NEW Kind of Trailer Trash. He is free in telling any tale about himself, including the most intimate, demonstrating the interior security and self-deprecating humor, which it would seem support his international reputation as a gestalt therapist, seminar leader, and writer published all over the world. He owns into his life in all aspects, and finds in his weirdness his salvation, demonstrating the radical honesty he's made famous, and rooting his self-understanding, which is considerable, in his childhood in the hills of Virginia. Transformation personified. A fine and inspiring read.KurzbeschreibungDr. Brad Blanton, bestselling author of the Radical Honesty book series, is at ease in this first volume of his autobiography Some NEW Kind of Trailer Trash.
