**Von Paul Austin : Something for the Pain: Compassion and Burnout in the ER** before purchasing it in order to gage whether or not it would be worth my time, and all praised Something for the Pain: Compassion and Burnout in the ER:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A very good readVon glomaelThis book keeps the reader interested til the end. The author is very honest and describes his job in a sensitive and fascinating way. I can strongly recommend this book to everybody interested in medical memoir.

KurzbeschreibungWhat makes this inspiring medical memoir stand out is the courageous measure of Austins

humanity. Publishers Weekly In this eye-opening account of life in the ER, Paul Austin recalls how the daily grind of long, erratic shifts and endless hordes of patients with sad stories sent him down a path of bitterness and cynicism. Gritty, powerful, and ultimately redemptive, *Something for the Pain* is a revealing glimpse into the fragility of compassion and sanity in the industrial setting of today's hospitals. *Pressestimmen* Starred . This vivid memoir of an ER doctor will make readers by turns cry and cringe. A definite page-turner and a riveting debut. Austin gives a stunning account of the chaos of the emergency room, the constant drama of urgent situations calling for immediate and decisive action. He pulls us inside the chronic exhaustion ER docs fight against and fully engages us in the difficult juggling doctors do. *Kurzbeschreibung* What makes this inspiring medical memoir stand out is the courageous measure of Austin's humanity.
