Kurzbeschreibung When Leigh was 10, Morgan became her stepbrother when their parents married. The tall 18-year-old boy gave Leigh a warm welcome and showed her what it was like to belong to a loving family. Ten years later, Morgan has moved abroad, but he left believing that Leigh was a despicable person following a terrible misunderstanding. A year later they meet again, but Leigh's hope that all will be well as soon as she explains herself is swept away as she is greeted by a cold and distant Morgan...
