Von Rosemary Wells : Sophie's Terrible Twos before purchasing it in order to gage whether or not it would be worth my time, and all praised Sophie's Terrible Twos:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Simple-to-follow and interesting story for children that are 2 years or olderVon Helpful AdviceSophie's Terrible Twos written and illustrated by Rosemary Wells is the continuation of the hero adventures whom we met last year in Time-Out for Sophie.The story starts when on her second birthday Sophie will wake up in bad mood. She will reject her birthday breakfast of blueberry pancakes and will not want to take the gifts she received.But the day will be saved by grandmother who will take Sophie out. And though things will look as bad, with the help of one costume eventually everything will turn out well and Sophie will be back home feeling much betterRosemary Wells once again created a book for the youngest reader that provides simple-to-follow and interesting story that provides a lot of fun, but also delivers a lesson appropriate for the age of readers.For these reasons, if you loved the last work of the author, and your child in the meantime didnt grown too old I definitely suggest you to give a chance to this one its nicely drawn and

educational book for children that are 2 years or older.

Kurzbeschreibung Oh no! Sophie got up on the wrong side of the crib! Nothing is right: birthday dress, birthday pancakes, or fairy wings. Then Granny and Sophie pay a visit to Zekes Palace of Costumes. Suddenly Sophie gets a chance to become a truly terrible two. Rosemary Wells captures a Terrible Two morning that will make both youngsters and oldsters laugh out loud. Pressestimmen Praise for Sophie's Terrible Twos: "Wells continues to demonstrate an almost telepathic gift for distilling everyday frustrations and triumphs to their essence." Publishers Weekly, starred review "Wells's beloved illustrations and her characteristic wit are pitch-perfect" School Library Journal Praise for Time-Out for Sophie: [A] soon-to-be favorite . . . Readers will clamor for more of the irrepressible Sophie, while parents will secretly smile with sheer delight." Kirkus, starred review "Wells's signature artwork is vivid and pleasingly simple, and the characters are endearing." School Library Journal, starred review As wise (and concise) as ever, Wells lets readers have guilt-free fun savoring Sophie's naughtiness, but delivers the story's aha moment with an equally deft hand. Publishers Weekly As always, Wells portrays her characters' developmentally appropriate behavior with genuine respect and affection. The Horn Book Wells captures a rite of passage: the terrible twos, both for the little one and for her exasperated parents. Booklist Kurzbeschreibung Oh no!
