Von Will D. Campbell : Soul among Lions: Musings of a Bootleg Preacher before purchasing it in order to gage whether or not it would be worth my time, and all praised Soul among Lions: Musings of a Bootleg Preacher:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A gentle

reminder that we are all in the same family. Von Grace E. Henderson With a gentle poetic nudge, Campbell reminds us that we are all in the same family, that we humans need each other as much as we need to get on with the business of forgiving. This book of short essays that Campbell calls "musings" (and that can be read in less than an hour) asks questions about human frailties and pretenses with love and acceptance and wit. A Southerner of courage and conscience and keen intelligence, Campbell wonders why the Fannye Browns who quietly go about doing good for others are forgotten while the Trent Lotts and Jerry Falwells seem to go loudly about doing good for self. Campbell muses that the national angst about homelessness can be assuaged if each church congregation takes just one homeless person into its care. He wonders about the motives of the Christian Coalition and simply asks that we look beneath the surface to find our common humanity. "Soul Among Lions" will give moral courage to the reflective reader. This thought-provoking book is the sort to purchase by the dozen to send as gifts to friends and one's elected officials. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another gem from Brother Will Von Ein Kunde Will D. Campbell, "bootleg preacher" to the unwashed and unlovable, has penned another book of wonder. Brother to a Dragonfly is viewed a modern classic [as it is]. Soul among Lions is a worthy cousin. Brother Will has stayed busy, stirring up a hornets nest wherever he can, placing a well intentioned burr in the saddle of the powerful. The short, wonderful essays are a goldmine for the committed christian {though, of course, that statement covers an awful lot of ground}. Read Brother will, then look at yourself. If you are not challenged, read it again. To comfort the powerless and make the powered uncomfortable, and to do it with wit, and poetry. Quite a book, quite a human being.

Kurzbeschreibung Farmer, writer, and preacher-at-large for more than half a century, master storyteller Will Campbell offers a collection of thirty classic meditations challenging readers toward a more conscientious faith. With the soul of a true satirist, Campbell combines Scripture and homespun humor in a deceptively simple style that belies the seriousness of his intent: to deflate the pompous, indict the hypocritical, and expose the self-righteous.
