**Von Tracy Cochrane : Sour Raisins (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sour Raisins (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sour Raisins is unstoppable!Von Ein KundeSour Raisins is so full of drama and excitement, it never seems to quit, even to the very end. Shelly is taken on a path in her life that she never expected. She is put in danger, forced to make choices

and when she is taken under the wing of a Police Sergeant, she has to learn way more than she ever thought about love and trust. Together they try to rebuild their lives as they both work through tragedies and try to put to rest a past that is unbearably painful. See if they can do it! This book is hard to put down! It is a library must-have and is great for teens as well as adults. It is inspiring. It shows that through all trials and tribulations, there is hope and there is love. A great read!

KurzbeschreibungI climbed up over the guardrail and as high up the metal structure as I could. I stood there looking out over the water. It was so quiet and peaceful. The city lights were reflecting in the water so beautifully. I wished my life could be as somber and peaceful. Then just as I was about to plunge into the peacefulness, someone called out to me. "Hey there, whatcha thinkin' about doin'?" It was an old man. He was walking towards me on the other side of the guardrail. "You leave me alone!" I yelled. "Oh I can't do that," he said. "I'm on my way home and I just don't think I'd be able to sleep tonight if I saw some girl jump off a bridge." "Then don't watch!" I yelled. Have you ever wondered why you were ever even born? Ever wondered, "Why me?" Follow along in a story about a girl named Shelly. Discover how she was able to overcome the most confusing, painful, scary, and dangerous times in her life. Run with her, cry with her, and learn with her as she discovers a past almost too painful to believe. And then see how she discovers the meaning of true love in ways she never thought existed. TRACY COCHRANE lives in Florida with her husband, David, and their four beautiful daughters, JoAnna, Alyssa, Miranda, and McKenna. She has enjoyed writing stories since she was a young girl. Sour Raisins is her first published book. She is committed to reaching young adults and teens by meeting them at their level, offering inspiring novels that teens can relate to. Knowing the difficulties of being a teenager or young adult, especially in this day and age, and knowing how easy it is to feel alone, confused, unloved, and hurt, Tracy offers a new hope. She wants to help bring as many readers as she can to develop a personal relationship with Jesus Christ.
