Von Jennifer England : Speak English Once And For All (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Speak English Once And For All (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This is a Gem!Von peggyI'm an ESL teacher and I'm always checking out other teachers' materials and ideas. I gave this book 5 stars because everything in it is right to-the-point. Like a gem stone, it is light, and clear, and everything unnecessary or useless has been left behind, keeping only what really works to improve fluency.The author's voice is friendly, encouraging, and direct. I like the step-by step strategies that, if followed, will definitely improve fluency in English. Also appreciated the lists of business English collocations and vocabulary. I especially like the fluency self-

questionnaire at the beginning. This isn't something to read, it's something to DO!

Kurzbeschreibung Are you tired of studying English grammar without being able to speak it? Do you need to speak English fluently to advance your career or business? Do you want to speak English fluently in record time? Then this book is for you! Kurzbeschreibung Are you tired of studying English grammar without being able to speak it?
