KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Carol Kent brings public speaking to an accessible skill.Von Ein KundeI read Carol's book before I met her at a retreat

where she spoke. I can affirm that she is an exemplary speaker. She practices what she preaches. The book provided practical wisdom plus numerous asides on the art of communicating while still upholding the integrity of both the message and the message-giver. I've adapted many of her suggestions to my own speaking outreach.

Kurzbeschreibung This step-by-step guide to public speaking will walk you through preparing and delivering any kind of message from sharing your testimony or a devotional to leading a meeting or workshop.
