KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Teils biblisch, teils nicht berprfbarVon Jacobi, S.+ M.Ja, da kommt schon Vorfrende auf bei einem glubigen Menschen! Einiges der Beschreibungen ist absolut biblisch, anderes kann man glauben oder auch nicht. Jedenfalls werden Krper-

Seele-Geist Zusammenspiel sehr gut erklrt. Lesenswert.

Kurzbeschreibung Volume 2 of Spirit, Soul, and Body in particular will explain about the origin of the Creator God, the vast spiritual space, and the space of light where our spirit will dwell. There are some full-color pictures to help you better understand the form of God and space. Once we understand the secrets of the spaces and become a person of whole spirit, we can go beyond the human limitations to use the space of God, and we can even see the form of God. That is why Jesus said in John 14:12, Truly, truly, I say to you, he who believes in Me, the works that I do, he will do also; and greater works than these he will do; because I go to the Father.
