Von Jeanne Marie Bouvier de la Motte, 1648-1717 Guyon : Spiritual Torrents before purchasing it in order to gage whether or not it would be worth my time, and all praised Spiritual Torrents:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. for the heart with one desire: HimVon Ein Kundeif you've read any of Guyon's other works, particularly her autobiography, and found that you have experienced anything similar to what she describes, then this is a great book to read. i found in it the only accurate description of the difficulties and pains of the deserts the God brings a surrendered Christian through. it was a comfort to me during the most difficult time in my spiritual walk, even more then her autobiography

or "experiencing the depths of Jesus Christ." if you know what it is like to feel that God has left you or even that He is slaying you, read this book. if not, it will be difficult for you to understand or accept what she describes.

KurzbeschreibungHardPress Classic Books SeriesKurzbeschreibungHardPress Classic Books Seriesber den Autor und weitere MitwirkendeJeanne Guyon (1648 1717) wrote from the depth of her own spiritual experiences. Growing up in France during the decadent times of Louis XIV, she was devout at an early age, but was then caught up in the worldliness around her. After an arranged marriage at age fifteen, she became increasingly interested in spiritual things; and, for the rest of her life, she continued to seek God diligently, teach others, and write books on Christian devotion. These books have become Christian classics. Guyon paid a heavy price for her views and her writings. Throughout her life, she underwent various trials, including persecution and imprisonment for her beliefs. Her commentary on Song of Songs was used against her and led to her imprisonment.
