**Kurzbeschreibung**How to live free from demonic oppression. There's conflict in your home, or trouble in the workplace. Family problems, sickness, financial struggles. You've done everything you know to fix things, but the challenges continue. The issue may not be with the people around you--but with the unseen presence of evil. Demonic spirits try to settle in places that don't belong to them, to keep God's children from living in their rightful fullness. It's eviction time! Learn how you can take territorial control of your life and drive out the enemy. Combining biblical teaching and personal experience, anointed minister Kakra Baiden explains how you can command any spiritual squatters to be gone, and instead live in the peace and presence of the Holy Spirit.
