Von Stephen Cosgrove : Squeakers (Serendipity Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Squeakers (Serendipity Series):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great for teaching young children about self protection. Von Ein Kunde This book was a fantastic way to introduce the idea of self protection to young children. Squeakers is a young squirrel who is made to feel uncomfortable and threatened by a

mole. It is very low key but gets across the message that it is OK to say no to adults sometimes and to tell an adult if someone molests or threatens you. My children love this book and it has inspired many conversations about stranger danger etc. A valuable book to own if you have young children. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Wonderful "Just Say No!" Story! Von Ein Kunde As a teacher of elementary school children I always worry when I see them walking home alone, even in the safe community I teach in. This is a wonderful book with a cute and loveable main character, Squeakers, to show them it's okay to say "No" to strangers. A great book for both parents and teachers!

Kurzbeschreibung The Island of Serendipity is filled with magical wonders, but even here there are simple dangers and one of those is to be cautious of strangers. A little squirrel called Squeakers learns that there are times when you must say no and quickly run away. Ages 5-9
