Ein Einblick in das Indliche Leben in West-Afrika aus der Sicht eines Neu-AfrikanersVon Anne BrarenSimons Buch ist sehr nett und persnlich geschrieben. Er erzht ber seine erste Zeit in der Casamance mit allen Freuden und Problemen,

ohne zu ber oder untertreiben. Immer positiv und oft mit einem Zwinkern im Auge sprt man seine Liebe zu seinem neuen Leben und zu seiner Familie. Ein absolut lesenswertes Buch fr jemanden, der sich fr das Leben und die Hintergrnde des afrikanischen Lebens interessiert.. warum wie was ist, und warum nicht. Aber auch fr mich, die seit 30 Jahren in der gleichen Ecke der Welt lebt, ist dieses Buch ein Highlight, weil Simon in seiner frischen und positiven Schreibweise vieles gut recherchiert hat und erklrt. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Squirting Milk... Von Dagmar Fink Even with this slightly irritating title, it is a wonderful book and a declaration of love to Westafrica. The author knows how to bring a smile on the face of the reader, funny and deep at the same time. I read parts of the book while I was staying in Abene/Casamance and I could see the situations and people acting while reading. But also if you have never been to Westafrica you will love it - as Simon Fenton is able to create pictures in your mind. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Humorvoll geschrieben Von Harald Schultze Ein locker und humorvoll geschriebenes Buch, das Simon Fentons Erfahrungen im Senegal beschreibt. Der Leser bekommt einen Einblick in die Welt Westafrikas und in die Denkweise der Afrikaner. Er lernt Glaube und Aberglaube der Menschen kennen. Mir hat das Buch sehr gut gefallen.

Kurzbeschreibung On the cusp of middle age, Simon Fenton leaves Britain in search of adventure and finds Senegal, love, fatherhood, witch doctors and a piece of land that could make a perfect guest house, if only he knew how to build one. The Casamance is an undiscovered paradise where mystic Africa governs life, people walk to the beat of the djembe, when it rains it pours and the mangos are free. But the fact that his name translates to vampire and he has had a curse placed on him via the medium of eggs could mean Simons new life may not be so easy. Upon deciding to cross the Sahara, he liked it so much that he has relocated to Senegal with his family, where they run The Little Baobab: an African farmhouse powered by solar energy, with hearty seasonal food fresh from the organic garden, music and dancing around the campfire, shady jungle hammocks, and some chickens. Simon also leads treks throughout the region, arranges music courses, and teaches photography.
