Book gives exact method for doing presentations and dealing with nerves. Can do presentations better now than ever before. Used it for university and in business. Found it invaluable

**Kurzbeschreibung**  
The heat pounds, knees buckle, palms sweat, and voice turns raspy. Public speaking can be absolutely the most frightening experience of your life, or, at least, a bothersome chore. But it doesn't have to be. Thanks to expert presentation coach Marion Witz, you can learn to make presentations with great aplomb - and actually enjoy yourself in the process!  
In this easy-to-understand, entertaining book, Marion Witz:  
-Discusses the best way to prepare the five different types of presentations: sales, formal, factual, educational, motivational  
-Shows how to focus on the audience as an ally, not an enemy, and how to handle questions  
-Reveals how to empower the voice, gain control of breathing, and develop expression
