Von David S. Goldstein : Star Alliance Gold status: fast, easy and cheap. Travel in comfort and save money with a frequent flyer program status! (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Alliance Gold status: fast, easy and cheap. Travel in comfort and save

money with a frequent flyer program status! (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolut lohnenswert und sehr guter Einblick um zu bekommen, was man braucht! Von ChristianIch konnte meinen Lufthansa Senator Status nicht verlängern, weil ich die nötigen 100.000 Meilen nicht mehr erfliegen konnte. Er lufte also im Februar aus. Damit ich aber auch danach nicht die wichtigsten Vorteile nutzen kann, habe ich nach einer Möglichkeit gesucht, wie ich den Star Gold Status anders erreichen kann. Mit dem Buch klappt das super, weil sehr viele verschiedene Flüge vorgestellt wurden, mit denen man Goldstatus für viel weniger Geld erreichen kann. Mir haben die vielen Screenshots geholfen, das alles selbst zu buchen. Es ist alles sehr gut erklärt, auch über das Aegean Konto, Meilenverfall, Buchungsklassen etc.. Man kann alles gut nachvollziehen. Das Buch ist auf Englisch und enthält auch einige Flüge aus anderen Ländern. Damit kann ich nicht viel, weil ich immer ab Deutschland fliege, aber es waren auch genügend Sachen ab Deutschland dabei. Alles in allem wohl die schnellste und angenehmste Weise, das gesamte notwendige Wissen auf dem Silbertablett zu bekommen :) Mich kostet der Goldstatus jetzt knapp 1.100 Euro gekostet und er ist länger gültig als ein Senatorstatus. Und trotzdem darf ich in die Senatorlounge.

KurzbeschreibungWould you like to reach a frequent flyer status, but you are not flying enough to earn your desired frequent flyer status? Or you do not want to spend money just for a club membership? Would you like to take advantage of all the frequent flyer benefits, like check-in at the First Class counter, lounge access and more baggage allowance? Are you unhappy with the high cost of food and drinks at the airport, long queues at the check-in counter and fees for overweight baggage? Enjoy the luxury and complementary benefits at the airport and on the plane as a frequent flyer - using the cheapest possible option! This ebook will show you some great options to get a Star Alliance Gold status even if you fly only once or twice every year! You will be stunned when seeing how easy a most desired frequent flyer status can be reached by smart booking procedures and using the best insider tips and tricks. The benefits of your new status will save you a lot of money and efforts, irrespective of flying once or a hundred times per year. This ebook will show options to reach Star Alliance Gold status with only a single return flight! You will love the benefits associated with your new status: Worldwide access to the Star Alliance Gold lounges with a guest if you are flying on any Star Alliance carrier, irrespective of the class of service in which you are flying Check-In at the First or Business Class Counter or at the exclusive Star Alliance Gold counter at the airport Priority Boarding - you can board the plane together with the First and Business Class passengers, even if you are booked in Economy Class Priority baggage handling - your baggage will be the first to be unloaded You may take up to 20 kg of additional baggage (weight concept) or one additional piece of baggage (piece concept) onto your flight Top priority for stand-by-flights (waitlist), upgrades, and similar gains! Please note: Star Alliance, covering 27 airlines, including Lufthansa, Swiss, Austrian Airlines, United and many more is by far the biggest airline alliance worldwide! You will therefore be able to use your new status virtually anywhere in the world. Read this book and receive your own frequent flyer status card sooner than you have ever imagined. This book is perfect if you do not travel very often or less regularly as well. 10 different routings are proposed, e.g. from Frankfurt, London, New York, Seoul, Melbourne and other airports, and the author is ready to answer your questions as well! December 2013 issue! KurzbeschreibungWould you like to reach a frequent flyer status, but you are not flying enough to earn your desired frequent flyer status?
