Wonderful Book!Von Ein KundeI love the Saddle Club Series! I especially love this book! Carole, Lisa, and Stevie are heading to California! They meet up with their friend Skye and decide to help him because he is about to loose his job! :O! The Saddle Club are more than willing to help and Veronica is more than willing to take Skye's place! When the Saddle Club's Horses are gone, and show time is coming up, there seems like nothing to do! I have read the Saddle

Club series for a while and I just love about every book! Many people think Bonnie Bryant is getting rusty in her writing but I think it is just getting better! I hope everyone out there enjoys the Saddle Club as much as me! :)0 von 0 Kunden fanden die folgende Rezension hilfreich. horses in the moviesVon Ein KundeI enjoyed this book alot. Stevie, Lisa, and Carole are on their way to california to show in a pony club rally and when they get there their friend Skye the movie actor needs their help in solving a mystery some one wants skye out of the movie so some one else can star in the movie. Not only doesthe saddle club help their friend but he also in turns helps them out in a weird but wacky way.

KurzbeschreibungCarole Hanson, Stevie Lake, Lisa Atwood, and Veronica diAngelo are headed to California for a Pony Club rally. On top of that, their good friend, movie star Skye Ransom, needs their help or his career may be over. The Saddle Club is thrilled to spend time on the movie set-- so is Veronica, who's convinced that it's only a matter of time before she ends up costarring with Skye. But it's not all lights, camera, action!--they still have to compete in the rally, and that just got harder: Their horses have gone missing! Will The Saddle Club ever see their beloved horses again? Can they help save Skye's career? This exciting trip to sunny California may be a little too exciting, even for The Saddle Club!KurzbeschreibungCarole Hanson, Stevie Lake, Lisa Atwood, and Veronica diAngelo are headed to California for a Pony Club rally.
