**Von Stephen Fry : Stephen Fry in America** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stephen Fry in America:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fry sehen und lesen...Von Susanna...sind gleichermaen vergnlich. Ich erwarb voriges Jahr die Verfilmung von Frys Tour durch die 50 Bundesstaaten der USA und fand alles - wie von ihm gewohnt - wunderbar in Szene gesetzt, wie er mit seinem Londoner Taxi ber Highways und durch Kleinstdte fhrt und ber welche Leute und Schrulligkeiten er berichtet,

ist nicht nur einmal sehenswert. Das Buch zum Film - oder war es umgekehrt? - lässt sich einen an jede Szene genau erinnern und man hat das Empfinden, tatsächlich den Film im Kopf nochmal ablaufen zu sehen. Für alle Fry-Fans ist das Buch quasi ein Muss, wenn ich es auch niemals als Alternative zur Verfilmung, die er selbst kommentiert, empfehlen kann. Fry zu LESEN und zu HÖREN sind immer wieder ein Genuss, wenn auch exakt das gleiche Thema die Basis darstellt. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Super Buch Von Ida Habe mir das Buch gekauft, da mich meine Englischlehrerin darauf aufmerksam gemacht hat. Die Vorstellung, dass jemand jeden Staat der USA besucht hat, um das alltägliche Leben dort kennenzulernen und zwischen den Staaten zu unterscheiden, fand ich sehr spannend. Das Buch ist in Englisch geschrieben, lässt sich aber sehr einfach lesen, das Vokabular ist nicht besonders anspruchsvoll, also keine Angst ;) Stephen Fry erzählt über seine Erlebnisse teilweise so detailliert und mit Humor, dass man sich richtig in seine Reise hineinfallen kann. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Interessante und abwechslungsreiche Einblicke Von Sibylle Federer Stephen Fry nimmt uns mit auf eine Reise durch die Staaten und macht dabei manche Erfahrungen, die dem Durchschnittstouristen meistens nicht zugänglich sind (ich meine damit die Begegnungen mit Menschen, weniger das Standardprogramm wie die Bootsfahrt über die Everglades). Diese beschreibt er so persönlich wie unterhaltsam, dass es eine Freude ist, das Buch zu lesen.

Kurzbeschreibung Britain's best-loved comic genius Stephen Fry turns his celebrated wit and insight to unearthing the real America as he travels across the continent in his black taxicab. Stephen's account of his adventures is filled with his unique humour, insight and warmth in the fascinating book that originally accompanied his journey for the BBC1 series. 'Stephen Fry is a treasure of the British Empire.' - The Guardian Stephen Fry has always loved America, in fact he came very close to being born there. Here, his fascination for the country and its people sees him embarking on an epic journey across America, visiting each of its 50 states to discover how such a huge diversity of people, cultures, languages, beliefs and landscapes combine to create such a remarkable nation. Starting on the eastern seaboard, Stephen zig-zags across the country in his London taxicab, talking to its hospitable citizens, listening to its music, visiting its landmarks, viewing small-town life and America's breath-taking landscapes - following wherever his curiosity leads him. Stephen meets a collection of remarkable individuals - American icons and unsung local heroes alike. Stephen starts his epic journey on the east coast and zig-zags across America, stopping in every state from Maine to Hawaii. En route he discovers the South Side of Chicago with blues legend Buddy Guy, catches up with Morgan Freeman in Mississippi, strides around with Ted Turner on his Montana ranch, marches with Zulus in New Orleans' Mardi Gras, and drums with the Sioux Nation in South Dakota; joins a Georgia family for thanksgiving, 'picks' with Bluegrass hillbillies, and finds himself in a Tennessee garden full of dead bodies. Whether in a club for failed gangsters (yes, those are real bullet holes) or celebrating Halloween in Salem (is there anywhere better?), Stephen is welcomed by the people of America - mayors, sheriffs, newspaper editors, park rangers, teachers and hobos, bringing to life the oddities and splendours of each locale. A celebration of the magnificent and the eccentric, the beautiful and the strange, Stephen Fry in America is our author's homage to this extraordinary country. Pressestimmen 'A fascinating look at one of the world's most complex and confusing countries, this is a story told with the wit and warmth we expect from Fry.' Stoke on Trent Sentinel 'A very funny take on life across the pond.' BAA Emporium Kurzbeschreibung Britain's best-loved comic genius Stephen Fry turns his celebrated wit and insight to unearthing the real America as he travels across the continent in his black taxicab.
