Von Marc Shapiro : Stephenie Meyer: The Unauthorized Biography of the Creator of the Twilight Saga before purchasing it in order to gauge whether or not it would be worth my time, and all praised Stephenie Meyer: The Unauthorized Biography of the Creator of the Twilight Saga:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read Too Von TeensReadToo! can pretty much guarantee that nearly everyone on the planet knows who

Stephenie Meyer is. With the runaway success of all things TWILIGHT related, everyone from grade schoolers, to teens, to grown, married women with their own children have fallen for all things having to do with Bella and Edward. Marc Shapiro, author of numerous other biographies and works of non-fiction, has turned his attention to the author of this wildly successful and entertaining series. Please note, this book is not a story about your favorite sparkly vampire; although it discusses TWILIGHT in a broad sense, it does not rehash the story or its characters. Instead, it is a finely written biography of the author herself. Stephenie Meyer has stated numerous times that the story of TWILIGHT began with a dream. I know we're all wishing that our own dreams would make us multi-millionaires, but I hasten to add that you shouldn't hold out hope for that to happen! The greatest thing about the author, at least to me, is that throughout the craziness since the publication of the first book and the subsequent release of the two movies, Ms. Meyer has managed to keep the same quiet, understated lifestyle that she had before the screaming and fainting began. For those who relish anything and everything related to this series, you'll want to pick up a copy of this book. Although I enjoyed it, my only issue with it was that everything written by Mr. Shapiro is a matter of public knowledge. You won't find anything new in this biography - most likely because it's unauthorized, and the author never interviewed Ms. Meyer for the book. Fans, though, will like having all of the information in one easy-to-read and keep format. Reviewed by: Jennifer Wardrip, aka "The Genius"

Kurzbeschreibung The romance of vampire Edward and human Bella in the books Twilight, New Moon, Eclipse, and Breaking Dawn has captured the imaginations of millions of readers and become an amazing success story. No less amazing is the story of how an unknown Arizona wife and mother, Stephenie Meyer, became a superstar author. In this revealing biography, fans of all things Twilight will follow their favorite writer on her roller-coaster ride to bestselling author from a childhood steeped in great literature, to a comfortable domestic life, and finally to that fateful dream one night that thrust Stephenie Meyer into a world she could only have imagined. In this book you will discover: * An exclusive interview with Stephenie's creative writing teacher who reveals what kind of student she was * The in-depth story of how Twilight started with a dream and became a reality * The tension Stephenie experienced in writing Twilight in secret * The challenges and pitfalls involved in her books reaching the silver screen * Stephenie's possible plans for the future * And much more! With eight pages of full-color photos, original interviews with people who are a part of Meyer's life, never-before-revealed details, and info on all of her fabulous books, this biography is a must-have for every Twilight fan. **Werbetext** A revealing biography of the woman behind the TWILIGHT phenomenon - a must-have for all fans! **Kurzbeschreibung** The romance of vampire Edward and human Bella in the books Twilight, New Moon, Eclipse, and Breaking Dawn has captured the imaginations of millions of readers and become an amazing success story.
