Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A very informative book about a great filmmaker Von Ein Kunde This is a very interesting book about a filmmaker. What i

like is that it spends most about his career. It was very well written biography.

KurzbeschreibungFirst published in 1996 and now available as an ebook. Please note that this edition does not include illustrations.Steven Spielberg dominated the cinema of the nineties. He is one of the screen's greatest enchanters, with a spellbinding capacity and a box-office record matched by very few.His power now exceeds that of the greatest moguls of Hollywood's golden era, and films like 'Jaws, ET, Close Encounters of the Third Kind' and 'Jurassic Park' have been seen by billions around the world, and have changed forever the way movies are made. How was it that this 'movie brat', from an unhappy and rootless adolescence on the fringes of American society, became one of the most formidable players on the global entertainment scene?.From 'Duel', which suggested the innate 'film sense' Spielberg would bring to movie-making, to the Oscar-winning 'Schindler's List 'and beyondKurzbeschreibungFirst published in 1996 and now available as an ebook. His hits include "Jaws", "Close Encounters of the Third Kind", "ET: The Extra-Terrestrial", "Jurassic Park" and "Schindler's List". This biography charts Spielberg's career from his boyhood 8mm home movies to the epic sweep of "Schindler's List" and beyond. It tells the story of his unhappy adolescence on the fringes of American society to his present unrivalled position of power. It also gives the story of modern Hollywood and of the "Movie Brat" generation of directors - Martin Scorsese, Francis Ford Coppola, George Lucas, John Milius and Brian de Palma - all of them Spielberg's colleagues, collaborators and friends.
