Keef sacht, wie es ist...Von E-MaxLebenshilfe einmal anders: Kurzweilige Sammlung von Keef-Zitaten, ein Gutteil davon dem Interessierten lang bekannt. Prima fr ein halbes Stndchen Wartezeit irgendwo, danach kann man das Buch dann auch dort liegenlassen, um andere an den Lebensweisheiten des Riff-Meisters teilhaben zu lassen. Das macht jedenfalls mehr Spa als die Esoterik-Schwarten und Glcksfibeln, die sonst berall im berma ausliegen...

Kurzbeschreibung In his own words - from rock's most legendary bad boy. Rock 'n' roll legend and Rolling Stones guitarist Keith Richards has quite a few things to say: about Mick Jagger, the Stones, sex, drugs, rock 'n' roll, and life itself. Sample these nuggets of wit and wisdom chipped from the tablets of Stone: On etiquette: "I've never turned blue in someone else's bathroom. I consider that the height of bad manners." On Mick Jagger: "My aim is always to try to introduce a bit of levity into his life." On the police: "There was a knock on our dressing-room door. Our manager shouted, 'Keith! Ron! The Police are here!' Oh, man, we panicked, flushed everything down the john. Then the door opened and it was Stewart Copeland and Sting." On family: "My father. I snorted my father. He was cremated and I couldn't resist grinding him up with a little bit of blow." On dental care: "Miraculously, due to abstinence and prayer, my teeth grew back." Synopsis He is the Human Riff, guitarist with The Greatest Rock 'n' Roll Band in the World - and a man of Wildean sagacity and trenchancy... 'I wouldn't warm to Chuck Berry if he was cremated next to me.' 'I've never had problems with drugs. Only with policemen.' On Elton John singing 'Candle in the Wind': 'Writes songs for dead blondes.' 'Rolling Stones, I have a question: will this be your last tour?' Keith Richards: 'Yes, and the next five.' On Ronnie Wood: 'I've known him stoned out of his brain, and I've known him straight sober. Quite honestly, there's very little difference.' 'The strangest thing I've tried to snort? My father, I snorted my father. He was cremated and I couldn't resist grinding him up with a little bit of blow. My dad wouldn't have cared. It went down pretty well and I'm still alive.' On having shot Ronnie Wood's budgerigar in its cage: 'Sorry, Ronnie - I didn't think it was real.' This is a perfect Christmas humour gift book. There is enormous anticipation already for Richards' own autobiography. It includes the hilarious pronouncements of a genuinely witty and funny man.
