AwesomeVon Ein KundeI went to the Christian book store to get a wedding gift, then I walked the aisles looking at books...I picked up this book and felt the Lord speaking to me, "This book will encourage you." I looked at it briefly and saw that she (the author) had a "glory cloud experience" and I could relate to it! I looked at the price and thought, "What is my husband going to think if I come home with it and say that the Lord told me to buy it?" It sounded lame, although I was so excited, so I looked at another book she wrote that was two dollars cheaper, but the Lord said, "Not this one, the other one." Needless to say, I bought it and my husband was not mad at all. (I did not realize that books had these spiritual books too!) Let me tell you, this book is so very awesome. She relays her experiences of the Lord visiting her personally and teaching her personally at various times. I believe that this book was meant for me. She wrote how when she had the glory cloud experience that the cloud got darker and heavier...I always wondered why the cloud I saw around me was grey. This is a book that clearly shows that if you turn to the Lord and seek Him, HE will instruct and guide you and come to you. I loaned this book out and now it has been reloaned to the same person. This book I plan to pass further around...it is a book that will excite and change you, I believe. I think it would be an "understatement" to say I highly recommend it. Have a blessed day in the Name of the Lord Jesus Christ. May the Lord Jesus bless everything you touch.0 von 0 Kunden fanden die folgende Rezension hilfreich. A must read bookVon Don DaltonThis is a fascinating book about Fuchsia Pickett's encounters with God. Most Christians believe that there is a deeper walk than they are experiencing. She not only says it is true, but says how she got there. It will leave you hungry to know more about God.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungStones of Remembrance? When I was wrestling with the request of others that I write my life story, I heard the Holy Spirit whisper to me, "Stones of remembrance." He caught my attention, and I wondered what He was saying. My mind went immediately to Joshua 4:3 where the Lord commanded the Israelites to take up twelve stones from the middle of the river Jordan, one for each of the twelve tribes. It was important to the Lord that the children of Israel make a memorial so that future generations who had not experienced the power of God could understand and fear the Lord. As I pondered that fact, I began to understand that the supernatural experiences I had enjoyed were not just for me to receive revelation of God's wonderful truths, but to leave them for others who would follow as well. And not surprisingly, I had experienced twelve different revelations! I invite you to share with me the memorial stones that have become my testimony. Learn how God, in His great mercy and loving-kindness, will shine His light on the truth of His Word to open your understanding to His ways. Fuchsia Pickett
