Von G. F. R. (George Francis Robert), 1854-1903 Henderson : Stonewall Jackson and the American Civil War
before purchasing it in order to gage whether or not it would be worth my time, and all praised Stonewall Jackson and
the American Civil War:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. This is
the book for any person who loves Stonewall!!!Von Ein KundeI have been a fan of the American Civil War for over
five years, and I have read many books on the subject and especially on Stonewall Jackson. I have never found a book

more thorough about both subjects in my life. The author dives into several contravercies like: Why did the Civil War started, Did Stonewall fall asleep at the Seven day Battle? He also doesn't just stick to Stonewall, he also talks about other important figures in the Civil War. So if you are interested, kinda like, or a fanatic about Civil War and Stonewall Jackson like I am, I would recammend this book to every one!

KurzbeschreibungHardPress Classic Books SeriesKurzbeschreibungHardPress Classic Books SeriesSynopsis Thomas Jonathan Jackson was the most renowned and skillful commander of Confederate troops in the Civil War. Not even Lee or Stuart matched his purely military intelligencehis intransigence at Bull Run (which earned him the name "Stonewall"), his knack for knowing when to attack and retreat, which he showed throughout the Shenandoah campaign, his tactical brilliance at Chancellorsville. He was stern, a strict Calvinist, a single-minded officer for whom religion and the army were everything. Yet he had the undivided loyalty of the men he commanded. This classic biography by the British historian G. F. R. Henderson, first published in 1898, is a meticulous study of Jackson's military campaigns from the Mexican War where he served under Winfield Scott to his death in 1863 at Chancellorsville. A romantic view of a great hero, inflected by the political views of the day, this work has remained a standard account of one of the Civil War's great warriors, here introduced by one of the Civil War's best historians.
