Story Structure: The Key to Successful Fiction (Red Sneaker Writers Book Series 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very good especially for beginnersVon CustomerIt is not common sense what you can find in this book.Even if you are a writer you may not know enough and then your story... sucks.I am happy I had a chance to read this book. It has opened my eyes to some things, that for many writers seem o obvious.If you do not know HOW to construct a good story-then you should get this book.If you know unconsciously but not consciously- then get this book.For me it was an educational pleasure!1 von 2 Kunden fanden die folgende Rezension hilfreich. Save Your Money for New ShoesVon Ray BildschnitzerIn this book, the reader won't find any new information. The books is short because the writer doesn't have anything new to say about structure. He pretends as if he was the first to talk about this topic. He isn't the first, but he is the worst! Do yourself a favor and save your money for buying really beautiful new red sneakers.

KurzbeschreibungWriting is structure, William Goldman said, but too often aspiring writers plunge into their work without grasping this fundamental principle. Story structure is one of the most important concepts for a writer to understand and ironically, one of the least frequently taught. In this book, New York Times-bestselling author William Bernhardt explains the elements that make stories work, using examples spanning from Gilgamesh to The Hunger Games. In each chapter, he introduces essential concepts in a direct and easily comprehended manner. Most importantly, Bernhardt demonstrates how you can apply these ideas to improve your own writing. William Bernhardt is the author of more than thirty books, including the blockbuster Ben Kincaid series of legal thrillers. Bernhardt is also one of the most sought-after writing instructors in the nation. His programs have educated many authors now published by major houses. He is the only person to have received the Southern Writers Gold Medal Award, the Royden B. Davis Distinguished Author Award (U Penn), and the H. Louise Cobb Distinguished Author Award (OSU), which is given "in recognition of an outstanding body of work that has profoundly influenced the way in which we understand ourselves and American society at large." The Red Sneaker Writing Center is dedicated to helping writers achieve their literary goals. What is a red sneaker writer? A committed writer seeking useful instruction and guidance rather than obfuscation and attitude. Red sneakers get the job done, and so do red sneaker writers, by paying close attention to their art and craft, committing to hard work, and never quitting. Are you a red sneaker writer? If so, this book is for you.KurzbeschreibungWriting is structure, William Goldman said, but too often aspiring writers plunge into their work without grasping this fundamental principle. In addition, Bernhardt founded the Red Sneaker Writing Center in 2005, hosting writing workshops and small-group seminars and becoming one of the most in-demand writing instructors in the nation. His programs have educated many authors now published at major New York houses. He holds a Masters Degree in English Literature and is the only writer to have received both the Royden B. Davis Distinguished Author Award (University of Pennsylvania) and the H. Louise Cobb Distinguished Author Award (Oklahoma State), which is given "in recognition of an outstanding body of work that has profoundly influenced the way in which we understand ourselves and American society at large." In addition to the novels, he has written plays, including a musical (book and music), humor, nonfiction books, children books, and crossword puzzles. He also has published many poems and is a member of the American Academy of Poets.
