and missed it so much that I ordered another copy for myself. I'm getting ready to order another one for someone else. It is a great daily devotional and Mr. Reiman did an exceptional editing job to make it even more understandable and relative today. I have the devotional with me everyday so I can refer to it during work hours and it is read everyday along with the Bible and other devotional and prayer items. So many times it has uplifted me and I can't imagine a day without referring to it. All of these writings were meticulously sorted for the daily compatible content and the daily paragraphs and poems were collated with much thought and inspiration. I am sure that they are as much a comfort to me as they were to Mrs. Cowman and each time I read this devotional, I feel like I am sharing it with her. ^{2 von 2}

For the last thirty years of her life, (She lived to be almost ninety-six,) she was often found reading her favorite devotional books, as she sat on her huge Victorian bed, her smelling salts and her handkerchiefs by her side. She left me this book. It is for me, a symbol of her infinite wisdom and goodness, always provoking the memory of her unconditional love. In the last year, I pulled the worn book out of a box, where it had lain for over ten years. Its outside was shabby, worn, and the binding was practically broken. The minute I opened it, I sensed its magic and power. It is never far from me now. In this last year, when I have had many trials and tribulations, it has comforted me, encouraged me, and kept me strong. I highly recommend this book, especially the Anniversary Edition in Mrs. Cowman's own words. A book of exceptional power, written with passion and poetry, Streams in the Desert deserves a permanent place on the devotional bookshelf. ^{0 von 0}

Everything seemed to be going according to plan when her husband had a devastating stroke. Instead of evangelizing, she spent the next decade of her life being a nurse at the bedside of her ill husband. It is the sort of experience that tempts you to give up serving God. You may even question what type of providence it is that plays what appears to be a sick joke on you and your loved ones. Instead, Cowman battled it out each day with her nursing obligations and her faith in God. It was far from easy. She clung to every scrap of inspiring poetry and every uplifting saying she could get her hands on. Eventually, she gathered them together in this book. As I read these devotionals, I get the feeling that the author was able to get through this experience with her faith intact but there is a sense that her heart was always broken afterwards. Sometimes, the words here seem like someone trying to convince themselves of the divine wisdom of something that they can barely accept. Hers was a hard lot and this book will be of most use to someone suffering a similar long term disappointment.

Synopsis In a barren wilderness, L. B. Cowman long ago discovered a fountain that sustained her, and she shared it with the world, "Streams in the Desert[registered]" - her collection of prayerful meditations, Christian writings, and God's written promises - has become one of the most dearly loved, best-selling devotionals of all time since its first publication in 1925. Filled with insight into the richness of God's provision and the purpose of His plan, this enduring classic has encouraged and inspired generations of Christians. I heard the flow of hidden springs; before me palms rose green and fair; The birds were singing; all the air was filled and stirred with angels' wings. Now James Reimann, editor of the highly acclaimed updated edition of "My Utmost for His Highest" by Oswald Chambers, again brings us the wisdom of the past in the language of today, by introducing this updated edition of "Streams in the Desert". With fresh, contemporary wording and precise NIV text, the timeless message of the original flows unhindered through these pages, lending guidance and hope to a new generation of believers. We never know where God has hidden His streams. We see a large stone and have no idea that it covers the source of a spring. We see a rocky area and never imagine that it is hiding a fountain. God leads me into hard and difficult places, and it is there I realize I am where eternal streams abide. Day by day, "Streams in the Desert" will lead you from life's dry desolate

places to the waters of the River of Life -and beyond, to their very Source.
