Von Marcy Kennedy : Strong Female Characters (Busy Writer's Guides Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Strong Female Characters (Busy Writer's Guides Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very interesting!
Von LeticiaVery interesting book for aspiring writers. It could be a bit longer, therefore, not five stars, but a good reading nonetheless.

KurzbeschreibungThe misconceptions around what writers mean when we talk about strong female characters make them one of the most difficult character types to write well. Do we have to strip away all femininity to make a female character strong? How do we keep a strong female character likeable? If we're writing historical fiction or science fiction or fantasy based on a historical culture, how far can we stray from the historical records when creating our female characters?In Strong Female Characters: A Busy Writer's Guide you'll learn- what strong female characters means,- the keys to writing characters who dont match stereotypical male or female qualities,- how to keep strong female characters likeable, and- what roles women actually played in history.Each book in the Busy Writers Guide series is intended to give you enough theory so that you can understand why things work and why they dont, but also enough examples to see how that theory looks in practice. In addition, they provide tips and exercises to help you take it to the pages of your own story with an editor's-eye view.Strong Female Characters is a mini-book of approximately 4,000 words.
