Kundenrezensionen Hilfreichste Kundenrezensionen 4 von 4 Kunden fanden die folgende Rezension hilfreich. eine Einführung Von Ein Kunde Dieses Buch stellt eine zuverlässige, leicht verständliche, englischsprachige Einführung in die

Didaktik des Englischunterrichts dar. Sie deckt alle relevanten Bereiche ab und gibt einen Überblick. Darin liegt aber auch der Nachteil des Buchs- es ist in den meisten Fällen nur ein guter Überblick. Für noch mehr Tiefe bedarf es weiterer Literatur. Dennoch ist es sehr gut zu verwenden als Einstiegs- und Wiederholungsliteratur während dem Studium, aber auch für die spätere Praxis. Rundum ein gutes Buch. An der Pd. Hochschule Karlsruhe eine der empfohlenen Einführungsliteraturen für Erstsemester. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Really good! Von Zlatko This book has some really useful tips on teaching English language to ESL learners. If you haven't had the chance to glance upon this book, make sure you do. Really useful!

Kurzbeschreibung Clear, easy to follow, and free of jargon - does not assume the reader is a native speaker of English. Covers all the major topics relevant for trainee teachers with the right level of detail. Strong focus on classroom teaching, applying theoretical principles to hands-on teaching practice. Can be used if you have little or no formal training as an English teacher. Especially useful if you are working in the students' own country (rather than an English-speaking country). Can be used either as a complete course in English teaching or, if you already have some experience, as a reference book. A comprehensive and readable introduction to teaching English. Clear and jargon-free, it is easy to follow and suitable for initial teacher training, but also provides guidance and fresh ideas for more experienced teachers. It offers realistic ways of achieving success even with large classes and few resources. **Pressestimmen** 'I would strongly recommend this book for any new teacher as well as for experienced teacher trainers.' * English Language Teaching News * '... a useful resource for practitioners at any level.' * Modern Language Journal * **Kurzbeschreibung** Clear, easy to follow, and free of jargon - does not assume the reader is a native speaker of English.
