Von David Hernandez : Suckerpunch before purchasing it in order to gage whether or not it would be worth my time, and all praised Suckerpunch:

KurzbeschreibungIt's the summer before senior year, and Marcus should be hanging out, filling his sketchbook, maybe asking a girl out for once. So why is he in a car with his brother, his brother's girl, and the pistol, headed straight

toward his dad? David Hernandez writes with striking lyricism and unfaltering poise. Suckerpunch marks the debut of a superb and important new literary talent. Pressestimmen From the opening sentence, the writing shocks, then mesmerizes readers....Hernandezs solid first YA effort will have readers clamoring for his next work. (Kirkus s) Beautifully executed.
