KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Starting great, but with disappointing, weak conclusion.Von Frobin JojoContrary to what's stated in the product description above, this TPB Vol. 5 collects Supergirl (2011, 5th Series, New52) #26-33, Green Lantern (2011 4th Series) #28 and

Red Lanterns (2011) #28-29.TPB Vol. 5 includes the whole Supergirl as a Red Lantern plot line. It starts pretty well with Kara as Red Lantern. She starts getting part of the group and somehow all her anger fits. But then it gets weaker. The conclusion and how easy Kara gets rid of the red ring is disappointing. The last story arc is weak.

KurzbeschreibungShe's done with people pushing her around, taking advantage of her and betraying her. She's done feeling helpless, lost and discarded. She's done with hope, faith and acceptance. Now, all that's left is rage. And she'll burn the universe down before she lets another person tell her who she should be. Supergirl's journey as a Red Lantern begins here. The newest, most daring chapter in Supergirl's history unfolds in SUPERGIRL VOL. 5: RED DAUGHTER OF KRYPTON! Collects Supergirl #26-33, Green Lantern/Red Lanterns #28 and Red Lanterns #29.
