Von JOHN A. BYRNE : **Superman: The Man of Steel Vol. 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised Superman: The Man of Steel Vol. 1:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. It all begins here!Von Ein KundeThis is the book that started it all. The redefining of Superman and his world by John Byrne. This Superman is not the one you remember reading comics from Golden Age to the 70s. Superman is not treated as a god but as a true human being and Clark Kent is not the clumsy introvert type we remember in the movies.

This is the book I would recommend to anyone who wants to start reading on Superman and why shouldn't I? It sets up the cast of characters, friends and villains and setting the tone of stories for future Super stories to come. It even includes a first meeting story between Superman and Batman.0 von 0 Kunden fanden die folgende Rezension hilfreich. Byrne Does It Again Von Peter A. Greene John Byrne's strength as a writer/artist is that he sees clearly to the heart of the character. Here, as he did with the Fantastic Four, he not so much re-invents as clarifies the character. All of the fat and foolishness is stripped away, and new details are added that fit so well that you wonder how the feature went fifty years without them. Byrne is totally respectful of what has come before, and yet makes it all fresh and new. This is truly Superman reborn and reinvigorated. Landmark comics, and also a great "starter" book for the fledgeling comics reader.0 von 0 Kunden fanden die folgende Rezension hilfreich. The greatest version of Superman's Origin. Von Ein Kunde John Byrne has done to Superman what he needed to have done. All of the annoying, cheesy parts of the Superman Legend have been removed, while essential new parts (such as leaving his parents alive and a millionaire Lex Luthor) are so good, I don't see how they had been left out. John Byrne has given everyone a personality, and a likable one at that. He draws Superman the way he is meant to be drawn. Finally, a believable Superman.

Kurzbeschreibung A stunning tale of heroics and history, SUPERMAN: THE MAN OF STEEL VOL. 1 magnificently retells and reinvents the origin and early adventures of the Man of Steel. In this fastpaced, revelatory book, Superman begins his ascension to iconic hero as he leaves Smallville and becomes Metropolis's revered protector and guardian. Featuring the Man of Steel's legendary first encounters with Lex Luthor, Lois Lane, and Batman, this amazing book also includes a deadly battle with Bizarro, a fateful encounter with Lana Lang, and Superman's astonishing discovery of his Kryptonian heritage. Kurzbeschreibung A stunning tale of heroics and history, SUPERMAN: THE MAN OF STEEL VOL. 1 magnificently retells and reinvents the origin and early adventures of the Man of Steel. In this fastpaced, revelatory book, Superman begins his ascension to iconic hero as he leaves Smallville and becomes Metropolis's revered protector and guardian. Featuring the Man of Steel's legendary first encounters with Lex Luthor, Lois Lane, and Batman, this amazing book also includes a deadly battle with Bizarro, a fateful encounter with Lana Lang, and Superman's astonishing discovery of his Kryptonian heritage. Synopsis John Byrne retells and reinterprets the origin and first adventures of Superman. This popular story was responsible for re-launching the Superman character and turning him into one of the most successful comic characters of all time.
