**Von Sara Zarr : Sweethearts (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sweethearts (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooI enjoyed this book. SWEETHEARTS is a character-driven novel where there isn't much action but a big emotional journey with quite a kick.Jennifer Harris is a social outcast. She is fat and the other girls in third grade are very mean. She eats lunch alone until the day that she decides to make Cameron Quick

her friend. After that, she and Cameron are always together, both of them outcasts. Then, one day Cameron disappears, and the other kids tell her that he is dead. The book then forwards on to present day and Jennifer has recreated herself. She is pretty, popular, has a cute boyfriend, and has changed her name to Jenna. She is a senior but she feels like she is just acting a part. It takes a lot of energy to be the girl that she is. Enter Cameron Quick -- who she thought was dead. He reenters her life and the past comes flooding back in big waves. They reconnect and discover what real love is all about. I liked the fact that this relationship between Cameron and Jennifer was real but not sexual. In fact, when she does have sex with her boyfriend she feels unconnected to him. This love is not about sex but about experiences that will live within you for a lifetime. It rushes in and takes over. The characters of the story were real and you truly wanted to be their friends. I especially liked Jennifer's dad. He was someone that I wish I could talk with for hours. The book is also one that doesn't have a definitive ending. I kept thinking up fun endings for days afterwards. Reviewed by: Marta Morrison0 von 0 Kunden fanden die folgende Rezension hilfreich. great book, great transaction, thanks :) Von Silke SchlampA great read, very lovely story. Besides, the buying process was easy and without any troubles. Thanks for that :)

KurzbeschreibungAs children, Jennifer Harris and Cameron Quick were both social outcasts. They were also one another's only friend. So when Cameron disappears without warning, Jennifer thinks she's lost the only person who will ever understand her. Now in high school, Jennifer has been transformed. Known as Jenna, she's popular, happy, and dating, everything "Jennifer" couldn't be -- but she still can't shake the memory of her long-lost friend. When Cameron suddenly reappears, they are both confronted with memories of their shared past and the drastically different paths their lives have taken. From National Book Award finalist Sara Zarr, *Sweethearts* is a story about the power of memory, the bond of friendship, and the quiet resilience of our childhood hearts. Pressestimmen "Zarr's writing is remarkable." *Booklist* (starred review) "Engrossing." *Publishers Weekly*, (starred review) "Haunting and ultimately hopeful.... A convincing, fire person narrative voice.... Zarr transfixes teen readers with enticing explorations of identity and enduring love." *Kirkus s* "[Zarr is a] master of show-not-tell.... [a] subtle, beautifully-written novel." *VOYA*, (starred review) Werbetext From the author of *Story of a Girl* comes an amazing story of friendship and human emotion about two outcasts who are reunited in high school after years of being separated--only to find that the bond between them still remains.
