Von Christian Cameron : Symposium #1: A SideQuest Comic before purchasing it in order to gage whether or not it would be worth my time, and all praised Symposium #1: A SideQuest Comic:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Mixed feelingsVon wurschthansI like the idea, but it takes way to much pages to tell a small story and reading this on a non-Fire Kindle (standard or paperwhite) is missing out on the colour.Reading it on an Android-phone is not too much fun either, because - unlike on the Kindle which displays panel by panel (one page containing multiple panels)- only whole pages are displayed and a whole page is naturally way to big to be displayed on a phone.To view this comic adequately you need a Kindle Fire, an iPad or an Android-tablet.As I said in the beginning - good idea which still has room for improvement.

KurzbeschreibungSideQuests are stand-alone stories or novellas that chronicle the heroes, villains, and adventures in The Foreworld Saga across numerous ages. They can be read with or without prior knowledge of The Foreworld Saga. Symposium is set in the Classical Era.The Shield-Brethren are a secret martial order that has defended the West for centuries. Now, the origins of the order are revealed in this stunning three-issue SideQuest comic book.As the soldiers of Greece return from war with Persia, they are greeted not as heroes but merely more mouths to feed. Athens is overflowing with the poor and desperate. For some of the former soldiers, this life is not why they fought. They crave adventure. They need money. More than anything, though, they long for purpose. One man may hold the answer: Plato. Not only is he versed in the art of philosophy, but he is no stranger to the art of martial combat. He believes there is a way to combine the two arts, creating a new way of life for the former soldiers.This comic contains explicit content and is recommended for mature readers.KurzbeschreibungSideQuests are stand-alone stories or novellas that chronicle the heroes, villains, and adventures in The Foreworld Saga across numerous ages. He grew up in Rockport, Massachusetts; Iowa City, Iowa; and Rochester, New York, where he attended McQuaid Jesuit High School and later graduated from the University of Rochester with a degree in history. After the longest undergraduate degree on record (1980-87), he joined the United States Navy, where he served as an intelligence officer and as a backseater in S-3 Vikings in the First Gulf War, in Somalia, and elsewhere. After a dozen years of service, he became a full time writer in 2000. He lives in Toronto, Ontario, with his wife, Sarah, and their daughter, Beatrice. He may be found on the web at www.hippeis.comDmitry Bondarenko is a freelance illustrator, born in Moscow and raised in Toronto. A classically trained artist with certification from Sheridan College and OCAD University, his enthusiasm for history and material culture led him to a friendship with author Christian Cameron, with whom he has been producing artwork for Camerons Tyrant and Killer of Men series. Recently he has created artwork for the Red Knight series from Orion, set in a medieval fantasy universe. Bondarenko has also created artwork for numerous publications, television, and film. He may be found on the web at www.dmitryillustration.com.
