Von Sophie Ibbotson, Max Lovell-Hoare : Tajikistan (Bradt Travel Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tajikistan (Bradt Travel Guides):

KundenrezensionenHilfreichste Kundenrezensionen0 von 2 Kunden fanden die folgende Rezension hilfreich. Sehr guter Guide, aber als E-Book nicht flexibel genugVon P. B.Der Guide als solcher ist gut und unbedingt

empfehlenswert. Der Wermutstropfen ist die Kindle-Version, die das Blttern und Nachschlagen erschwert.

KurzbeschreibungTajikistan is Central Asia's smallest and least understood country. Epic mountain landscapes, glacial lakes and the mighty Oxus River encircle ancient Buddhist sites, Silk Road trading posts, medieval shrines and planned Soviet cities. The guide includes tried and tested trekking routes in the Fann, Zerafshan and Pamir mountain ranges for various levels of experience. Comprehensive bird-watching and wildlife sections are provided by BBC journalist Ben Tavener. Rich historical detail and entertaining anecdotes are drawn from the historical archives of the Royal Society for Asian Affairs and with first-hand descriptions of everything from Soghdian ruins to playing the traditional sport of buz kashi or 'dead goat polo', Tajikistan's authors bring the country alive.
