Interessanter Einblick in die englische Tattoo-GeschichteVon JTIch habe mir dieses Buch gekauft, da bei mir durch das Tattoowiert werden, das Interesse an der Geschichte der Tattoowierung immer ger wurde.Vor diesem Buch hatte ich schon diverse andere Bcher der Richtung Tattoo-Historie und hnliches gelesenund hatte entsprechend die

Erwartung einen weitere Einblicke in die Welt der Tattowierungen zu bekommen und wurde nicht enttäuscht. Das dieses Buch etwas für jemanden ist, der mit der Szenen rein gar nichts zu tun hat oder nur einen ganz groben Einblick bekommen möchte kann ich mir schwer vorstellen, ich denke es ist mehr etwas für die, die sich intensiver mit dem ganzen Thema auseinandersetzen. Fazit von mir: Tolles Buch, es hat mir viel Spaß gemacht es zu lesen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. fabulous Von Kindle Customer I bought this book because there was a chapter on the man that gave me my first tattoo as a kid in Manchester back in the 70's and after having a career as an artist and illustrator I am myself now embarking on a career as a tattoo artist. The anecdotes and escapades of the "Old School" have had me laughing and squirming in my seat at many points. A brilliant book and a must for any ink vendors out there, a brilliant view into what it was like back then, wild stories of the wild men of the British tattoo scene. Excellent and my thanks to Sean for getting it together. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Stories Von K. Matthias Great Stories, really nice and funny. Ist auch leicht verständlich wenn man halbwegs Englisch sprechen kann. Wahnsinnig coole Geschichten, echt empfehlenswert.

Kurzbeschreibung Sean Hobden was the youngest member of the Old Timers Tattoo Club when it was formed in 1989. He was privileged to hear the stories of the last of the old time character showmen tattooists when tattooing was still a part of the underworld and hadn't yet gone mainstream and become popularised. Now you can hear the stories of the legends of tattooing from the last century that were told to the author first hand. Read how street shop walk in tattooists dealt with the many drunks and long queues. Humorous accounts and anecdotes of Ron Ackers, Painless Jeff, Cockney Paul, Benn Gun, Barry Louvaine, Charlie Bell, Jock of Kings Cross and many more. Many old time trade secrets such as Three Waying and the Vanity Sink are revealed, as they are no longer needed in modern tattooing. The book also covers old school politics and serves as a social history of the last part of the previous century. The book now has its own website so that you can see photos of characters in the book please visit seanhobden.com "I found this book to be compulsive reading and incredibly hard to put down" Total Tattoo Magazine "I often find the best example of a good read is one that cannot be put down. I read this book in one night" Gladstone Magazine "Many of the stories are hilarious, full of dry wit and humour, blended with warmth and affection" Total Tattoo Magazine "A laugh a minute rollercoaster of tattoo madness. This is a book you need on your bookshelf" Tattoo Master Magazine
