Von Maria Anderson : Tales of a Midwife (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tales of a Midwife (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Tales of a midwife! Von Peppa's Mum Super! After giving my first copy to a friend, I just had to replace it! Well written, and

informative, but not gory!

Kurzbeschreibung Maria Anderson trained as an NHS nurse and went on to become a midwife, a job she has adored for over twenty years. After fainting whilst attending her first three births, Maria went from nervous trainee to assured midwife and in her brilliant memoir she recounts the highs and lows of life inside the maternity unit. From frantic fathers and breaking her hand during a traumatic home birth, to witnessing the delivery of quads and the ultimate devastation of assisting the delivery of a stillborn baby, Maria has had an extraordinary career. Tales of a Midwife is a funny, poignant and heart-warming account of a devoted midwife.
