Wonderful book for all girls!Von Ein KundeIt's a wonderful book for girls of all ages. It was very sadbecause her mother has left her several times. She has to stay withher Aunt Thelma and Uncle Dan. She meets a new friend, Jane,

but Jane's mother does not like her. She meets a woman named Miss Russell and she walks her dog every Saturday. She doesn't know who her father is, but has a suspicion. You must read the book to find out more! It's wonderful!0 von 0 Kunden fanden die folgende Rezension hilfreich. The book was outrageous from start to finish!Von Ein KundeI liked this book because it was a 12yr old my age,she has just about any problems an average middle schooler has.But her mom couldn't afford to take care of her.Tallahassee was an outgoing, understanding character and she supported friends and family.Now thats why I like this book!0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungOut of sight, out of mind. Thats what Tallahassee Higginss mother, Liz, always says about her ex-boyfriends. But now that Tallahassee has been sent to live with her aunt and uncle in Maryland so Liz can start a movie career in California, the words are taking on new meaning. Aunt Thelma says that Liz is gone for good, but Talley is sure her mother will come for her. So who cares if mean Aunt Thelma hates her, if shes failing sixth grade, or if the kids at school think shes a liar? Its not like shes staying in Maryland forever. Unless Aunt Thelma is right and Liz isnt coming back.
