Von William C. Anderson : Taming Mighty Alaska: an RV Odyssey (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Taming Mighty Alaska: an RV Odyssey (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Mit vielen InfoVon Emma BritzIWer einmal vor hat nach Alaska zu reisen, dem empfehle ich dieses Buch. Es enthlt sehr

viele Informationen die mglicherweise sehr hilfreich sein knnen. Der Reisebericht hat mir gut gefallen, ich kann dieses Buch nur weiter empfehlen.

KurzbeschreibungDigital Edition:William C. Anderson's popular account of touring Alaska in an RV with his wife Dortha. Originally published in 1990, this book is rated in the top 3 books on touring Alaska by VactionBook .com. And was a precursor to Anderson's 1998 collection of articles for MotorHome Magazine, titled, "Please... Don't Tailgate The Real Estate!" called, "The greatest invention for RVers since the kink-free sewer house," by The Idaho Statesman. This Digital Edition contains all the photos from the original print publication.Original Edition:From the author of Hurricane Hunters and Bat-21: Touring Alaska in an RV with William C. Anderson is an unforgettable experience. Join Andy, Dortha and their irrepressible friends as they discover the Moose Gooser, iceworms, the vacuum toilets on cruise ships, and other verities of the Far North.KurzbeschreibungDigital Edition:William C.
