**Von Lawrence Block : Tanner's Twelve Swingers (Evan Tanner Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tanner's Twelve Swingers (Evan Tanner Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Tanner's back for another trek across Europe. A delight.Von Harold L. Laroff. Tanner is back in the third of eight books in the series. This one is much better than the first two. Again Tanner leaves NYC to trek across Europe, sneak across borders. This time the trip takes him from home to Yugoslavia north to Russia. Keeping in mind this adventure as

wells as the two others takes place before the brake up of the Soviet Union and the problems and war with the breakup of Yugoslavia. Block's historical accounts are excellent and add to the excitement of the book. It's well paced and I look forward to the others in the series. At this point in time they are on backorder at .com.

KurzbeschreibungPresenting EVAN TANNERthe first series character created by Lawrence Block, bestselling author of A WALK AMONG THE TOMBSTONES...Ever since a shred of shrapnel did a number on his brains sleep center, Even Tanner has been awake 24/7. This gives him more time than your average underachiever. Time to learn the worlds languages (hes fluent in Basque, but has trouble with Chinese). Time to embrace the worlds lost causes and irredentist movements (The Flat Earth Society, the League for the Restoration of Cilician Armenia, the Society of the Left Hand). Time to write term papers theses for students with more money than knowledge. And, most important, time to do his dreaming while hes wide awake.Karlis, Tanner's comrade in the Latvian Army in Exile, is pining for his true love, a gymnast who can't get out of the Soviet Union. So Tanner sneaks through a hole in the Iron Curtain, meets the child he unwittingly fathered on an earlier trip to Macedonia, smuggles a dissident intellectual out of Yugoslavia, adds to his retinue a six-year-old Lithuanian girl, who'd be the rightful heir to the Lithuanian throne if there ever were one, and winds up not with one Latvian gymnast but with a whole company of them. (Collect them all! Win valuable prizes!) And he does all this without a passport. Oh, he had one, but he gave it away...KurzbeschreibungPresenting EVAN TANNERthe first series character created by Lawrence Block, bestselling author of A WALK AMONG THE TOMBSTONES...Ever since a shred of shrapnel did a number on his brains sleep center, Even Tanner has been awake 24/7.
