Von Rafe Esquith : Teach Like Your Hair's on Fire: The Methods and Madness Inside Room 56 before purchasing it in order to gage whether or not it would be worth my time, and all praised Teach Like Your Hair's on Fire: The Methods and Madness Inside Room 56:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Ein groartiges Buch eines groartigen LehrersVon Rita FreudenbergRafe Esquith beschreibt in diesem Buch, wie er den Kindern in seiner Klasse nicht nur Lesen, Schreiben und Rechnen, sondern grundlegende Mastbe des Zusammenlebens und der Persnlichkeitsbildung nahebringt. An vielen interessanten und zum Nachmachen geeigneten (und auch gedachten) Beispielen beschreibt er, wie er es schafft, bei den Kindern die Begeisterung fr die Inhalte zu

wecken, die er vermittelt. Er erklärt, wie wichtig es ist, alle Aktivitäten vom Schulausflug über einen Film bis zum Sportereignis vorzubereiten, um nicht nur eine Abwechslung zum Schulalltag zu sein, sondern eine Chance zum Lernen. Dieses Buch ist nicht nur für Lehrer sondern auch für Eltern eine Quelle von Ideen. Nach dem Lesen dieses Buches möchte man selbst Lehrer sein und die wundervollen Erfahrungen machen, die er mit "seinen" Kindern macht, die fast alle aus armen und benachteiligten Familien kommen. Und mit diesen Kindern führt er Shakespeare-Theaterstücke auf, führt mit ihnen nach Washington, um die historischen Stätten zu besuchen und erlebt, wie sie mit Respekt und Begeisterung Museen besuchen. Das passiert nicht einfach so, das erfordert Wissen über und Offenheit für Kunst und Geschichte. Wann haben wir zum letzten Mal in einem Museum eine Schulklasse getroffen und was war das für eine Erfahrung? Bei mir jedenfalls hat es dazu geführt, dass ich das Museum sofort verlassen wollte. Mit der Klasse von Rafe Esquith würde es uns anders ergehen. Wir brauchen auch Lehrer und Schulen, die den Kindern nicht nur das Wissen für die nächste Prüfung, sondern Lebenserfahrungen vermitteln. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Inspiring stuff! Von YogiGroomer The stuff this guy is able to include in his class is fabulous! He is an inspiration to any teacher.

Kurzbeschreibung Read Rafe Esquith's posts on the Penguin Blog. From one of America's most celebrated educators, an inspiring guide to transforming every child's education In a Los Angeles neighborhood plagued by guns, gangs, and drugs, there is an exceptional classroom known as Room 56. The fifth graders inside are first-generation immigrants who live in poverty and speak English as a second language. They also play Vivaldi, perform Shakespeare, score in the top 1 percent on standardized tests, and go on to attend Ivy League universities. Rafe Esquith is the teacher responsible for these accomplishments. From the man whom The New York Times calls a genius and a saint comes a revelatory program for educating today's youth. In *Teach Like Your Hairs on Fire!*, Rafe Esquith reveals the techniques that have made him one of the most acclaimed educators of our time. The two mottoes in Esquith's classroom are Be Nice, Work Hard, and There Are No Shortcuts. His students voluntarily come to school at 6:30 in the morning and work until 5:00 in the afternoon. They learn to handle money responsibly, tackle algebra, and travel the country to study history. They pair Hamlet with rock and roll, and read the American classics. *Teach Like Your Hairs on Fire!* is a brilliant and inspiring road map for parents, teachers, and anyone who cares about the future success of our nation's children. Pressestimmen "Esquith is a modern-day Thoreau, preaching the value of good work, honest self-reflection, and the courage to go one's own way." -Newsday "Politicians, burling over how to educate the underclass, would do well to stop by Rafe Esquith's fifth-grade class." -Time "The most interesting and influential classroom teacher in the country." -The Washington Post Kurzbeschreibung Read Rafe Esquith's posts on the Penguin Blog.
