Von H. G. Widdowson : Teaching Language as Communication - Oxford Applied Linguistics before purchasing it in order to gage whether or not it would be worth my time, and all praised Teaching Language as Communication - Oxford Applied Linguistics:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Interesting and modern approachVon JWThis book reflects an interesting and modern approach to English language

teaching. I recommend that every English language teacher should read it.

Kurzbeschreibung This book develops a rational approach to the teaching of language as communication, based on a careful consideration of the nature of language and of the language user's activities. It will stimulate all language teachers to investigate the ideas that inform their own practice.
