Great introduction to English grammar made in humorous wayVon Helpful AdviceTeatime with Mrs. Grammar Person written by Barbara Venkataraman is an interesting book, not too long but certainly made with lot of charm.Barbara Venkataraman, by profession an attorney specialized in family law, has another love great love to write books intended for younger readers which in funny manner discuss serious subjects. One of such is her latest work Teatime with Mrs. Grammar Person in which she presented numerous helpful lessons about English grammar, in same time using her humorous style which makes this book easy and pleasant to read (with a smile guaranteed).The author writes her sentences in a way that is helping reader to learn even not being aware of process such as by repeating similar words in order to emphasize them. On 40 pages Barbara Venkataraman is trying to explain the difference between usage of words similar in pronunciation, but with a different meaning. Some of them seem easy to distinguish, while the others can be little tricky for those who dont use English as mother tongue.What makes her book special is already mentioned charm she used which will make her book especially appealing to particular audience mainly young adults or even younger readers who will be able to learn without too much efforts having good time in process.Therefore, Teatime with Mrs. Grammar Person can be highly recommended as humorous introduction to English grammar and we can only hope Venkataraman will come back with some more similarly funny titles.I was given a copy of this book

Ein Spa und effektiver Weg, um einige der schwierigsten Regeln der englischen Grammatik lernen Von Charles Ashbacher Das kurze Stck ist etwas, das sehr gut funktioniert in einem Bereich, der nur schwer zu durchzufhren, einen effektiven Unterricht in Grammatik, die auch Spa zu lesen ist. Mit Stzen Worte, die den Punkt der spezifischen Lehre zu machen, die, erklrt Venkataraman den Unterschied in der Nutzung nach hnlichen Wrtern wie "beeinflussen" vs. "Wirkung", "Morgen" vs. "Trauer", "seine" vs. "es ist" und die, die ich haben die meisten Schwierigkeiten mit "den" vs. "der". Venkataraman oft macht ihr Punkt durch wiederholte Betonung der Besonderheiten, wie zum Beispiel in dem Satz "Niemand mag es, alles doppelt zu hren, so ist es am besten zu vermeiden, sich wiederholenden, redundant, reiterative, und doppelte in Ihrem Schreiben, meine Lieben." Mrs. Grammar Person wird als eine weiche und sanfte Seele, es sei denn, sie grammatikalische Fehler, ein Ereignis, das sie erhebliche ire erhhen wird begegnet dargestellt. Sie hat auch eine Liebe Interesse, Mr. Syntax und seine Rolle in der Geschichte von seinem Namen klar. Dies ist eine Geschichte, die effektiv genutzt werden knnte, um die Grammatik in Englisch Klassen zu unterrichten, ist Humor ein sehr effektives Lernwerkzeug fr das erste, was Sie tun mssen, ist ihre Aufmerksamkeit zu bekommen. Ich kann das Seufzen in der Klasse whrend meines K-12 Erfahrung erinnern, wenn der Lehrer sagte: "Heute werden wir diskutieren die Grammatik" Bewaffnet mit diesem Artikel werden einige dieser Sthnen in Gekicher umgewandelt werden. Diese Geschichte wurde kostenlos zur berprfung Zwecke zur Verfugung gestellt.
